Industrial Design My goal is to apply my knowledge, imagination, inspiration and passion in order to design and develop innovative solutions addressing human needs. I hope to broaden my experience as a designer and at the same time contribute to improving the way people live. I want to inspire and be inspired... to imagine... and then to make it real.

Work Experience The work experiences listed below are limited to those directly supporting my desire to be in the realm of industrial design. I have had numerous other positions and responsibilities over the years and believe that they will each contribute in some way to my success as I move forward. More information provided, upon request.

Craig Hines Design, Inc : 2004- Current
Industrial Design Consultant

Above Ground Designs, Inc., Bozeman, MT: 1997 - 2004

I created this company and ran all aspects of the business.

Designed, developed and manufactured the patented Aerial Chair.

Employed a staff of (up to) 10 people. Personally managed and tracked all finances, materials sourcing, shipping and invoicing, as well as customer service. Drove sales - both wholesale and retail, and marketing - including tradeshow, public relations, brand development, literature and advertising. Success in these areas, lead to coverage in top publications such as, Sunset, Outside and Men's Health.

UP International, Morgan, UT - 1991 - 1992

Designed hang gliding harnesses, and I was responsible for hang glider assembly testing and shipping.

Personal Products Hanggliding Harness - Sports Equipment
Aerial Chair- Soft Goods
DryDent - Dental Product

Patents Aerial Chair design - 1998
DryDent -pending 2006

Awards Place -First "Best 10 X 10 Exhibit" - Outdoor Retailer Show - Salt Lake City 1998

Computer Skills SolidWorks, Adobe Photoshop and Illustrator, Unigraphics, Microsoft Office, Quickbooks Pro,

Education San Jose State University, San Jose, CA
BS Industrial Design - 2001-May 2004
Phoenix East Aviation, Daytona Beach, FL
private license, instrument ratings - 1993-1995
Inscape College of Design, Cape Town, South Africa
Diploma - Interior Design - 1990-1991
Montana State University, Bozeman, MT
Architecture/Interior & Industrial Design - 1981-1984
Rocky Mountain College, Billings, MT
General Studies - 1980-1981

Interests and Attitude Sailing, hang gliding, snow skiing, sailplanes and backpacking, are some of the activities I enjoy. I approach each with inspired passion and dedication, as I do exploring the possibilities of design. I've lived overseas for several years and love to travel - fueling new ideas and fresh perspectives. I like a challenge, and am always open for a new learning experience, independently, or together within a team.
